Gaia Young (deceased)
Born 4 March 1996
Died 21 July 2021

Dear Dr Gross

Many thanks for your ongoing assistance. I am grateful for your opinion to date as to the aetiology of Gaia's fatal condition.

I write further to my letters dated 6 November and 9 December 2025.

The Trust has written to me stating: "We have advised Dr Gross that we do not expect him to reply to your latest correspondence, as this is beyond the scope of our request to him."

I disagree. My letter raised issues within the scope of our instructions. You were instructed jointly by the Trust and me. It is a matter for you as an independent expert, not the Trust, how you reply. If it is a matter of your additional fee, I do not propose to negotiate your cost with the Trust. If necessary, I will meet your reasonable fee to reply to my recent letter. I ask you please to reply to the Trust and me.

In the spirit of transparency and collaboration I am copying this letter to the Trust.

Many thanks for your consideration.

Yours sincerely

Dorit

Lady Young of Dartington
